

# DOUBLE LANCE ADJUSTABLE

L : 250 mm - 500 mm - 900 mm - 1 050 mm

LD250

LD500

LD900

LD1050

## ⦿ SPECIFICATIONS

Double lance adjustable high and low pressure with its adjustable handle.  
Handle screwed = high pressure. Handle unscrewed = low pressure.

The power of the high pressure jet makes efficient cleaning and the jet of the low pressure nozzle rinses properly the surface cleaned.

*Determine the size of nozzle adapted to your HP washer .*

REFERENCE	LENGHT (mm)
